And He said to them, “It is written, ‘My house shall be called a house of prayer.’”

Matthew 21:13

Prayer Changes Things!

Individual Requests

Melani Snyder requests prayer for her long-time friends and married couple, the VanDamms. They are walking a dark, demonic path of lies, infidelity, and separation. Custody is ugly and the kids are suffering greatly, with the daughter, Dallas, attempting suicide months ago. They had a court date this past week.⁴

Les asks for prayers for his mom, Doris Bouie. Her body is winding down, can't walk, voice very low, eats verry little. "God's will be one." She is a woman of God, mother of her church.³

Jennifer Fleetwood requests prayer for her best friend, Mai-Lis, who was diagnosed with two types of cancer earlier this year. She has gone through two biopsies, and surgery. She will be going through chemo and radiation.²
